

Introducing

LEADERSHIP ROUNDTABLE for Primary School Leaders

YOU'RE A LEARNING LEADER, RIGHT?

And you value the interactions you have with other leaders because you know that **collaborative learning** is immensely powerful. You also know that, in spite of the vast leadership **knowledge** and **experience** that you have, you still have much to gain from other **learning leaders**.

Have you noticed how the best part of conferences and training events is often the **inspiring conversations** you have with like-minded people during the coffee break? What if that coffee-break inspiration could last **all morning**, starting with a **relaxed breakfast** and continuing with a program of **facilitated conversations** where the **delegates drive the discussion**? Just imagine what you, as a leader in school, could go away with:

- ✓ answers to those **quirky questions** and solutions for solving that **prickly problem**
- ✓ **inspirational ideas** and **practical proposals** for school improvement
- ✓ a **different perspective** and a **new dimension**
- ✓ **renewed energy** and **fresh vision** for children's education
- ✓ **stronger links** with other learning leaders.

I would be delighted if you could join me for a **Leadership Roundtable** event near you that brings local school leaders together for three hours to thrash out some common leadership topics.

Just come along with your questions, experiences, frustrations, ideals and an open, expectant mind. You can look forward to a satisfying breakfast, a relaxed environment, engaging company, stimulating conversation and SOLUTION-FOCUSED THINKING.

Topics could include: *climate and ethos, communication and presentation skills, change management, crisis management, decision-making, delegation, emotional intelligence, evaluation and review, goal-setting, meetings, people development, professional development, relationship management, resilient leadership, self-management, stakeholder management, strategic planning, stress-management, teams, time management, work-life balance.*

Dates and locations are given in the **grey panel opposite**.

All **Leadership Roundtable** events run from **8am to 11am**, starting with a **continental breakfast**.

The Leadership Roundtable will be hosted by me, **Phil Thomas** - formerly a headteacher and NCSL NPQH online advisory consultant - now running **ThinQ Education**: helping schools to **build communities of resilient learners and leaders** through a combination of assemblies, pupil and parent workshops, staff INSET and **leadership development**.

Join us for what promises to be a formative and energising event - I look forward to meeting you.

Phil Thomas, BEng, PGCE, NPQH
